Re: Project: SR-89  
Section: SR-89 @ Prescott Lakes Intersection  
Agreement JPA 99-130A  
**Amendment No. 1**

Dear Mr. Long:

The improvements to the SR-89 - Prescott Lakes intersection contemplated in the above referenced agreement have proven difficult for the City to economically accomplish. As a result, the State and the City desire to remove that portion of the work from the agreement and deduct the estimated funds allocated for the work. We may use this instrument as amendment number 1 to the agreement.

Therefore, the total overall amount to be paid to the City by the State is changed from \$2,512,000.00 to \$2,194,000.00, (for a deduction of \$318,000.00), and all references to improvements to the intersection of SR-89 and Prescott Lakes are deleted from the agreement. All other terms and conditions of the agreement remain the same.

To properly memorialize this amendment, and to insure a meeting of the minds, please indicate your concurrence of this amendment in the space provided below and return one original of this instrument to the undersigned at the above address to the attention of Mail Drop 616E. Questions may be directed to the undersigned at (602) 712-8369 or Mr. Foster at 520-445-5391.

Sincerely,

  
E. Jack Hammitt, CPM
